0580-AL-6004
System:
Aussie Mate 580-AL

Sidewalk Termination

AVM AUSSIE MATE 580-AL

- Notes:**
1. Aussie Mate 580-AL is an LARR approved Waterproofing membrane and Methane Barrier.
 2. Aussie Mate 580-AL is a UV stable, 60-mil heavy duty bituminous sheet membrane with aluminum protection layer for Below-Grade waterproofing applications. Aussie Mate 580-AL may also be used as a methane and/or vapor barrier under horizontal slabs on grade.
 3. See "Aussie Mate 580-AL Installation Instructions" for system requirements.
